UNDERCOVER

FULLY APPROVED AES (EX KWPN) STALLION

Undercover is by Heartbreaker out of a Carthago / Voltaire mare. He is fully approved with the AES and is in the top 10 of his age group.

Undercover was graded as a fully approved stallion in Holland described as 'One of the best Heartbreaker stallions around'. From there he went to Sweden where he won 2 young horse qualifiers and then went on to win the Swedish Young Horse Championship Final with an amazing score of 9.5.

Undercover is currently jumping 1.30 classes and is being aimed at International classes later this year. His jump is careful, powerful and easy. His temperament is second to none, ridden in a snaffle at all times, with manners to burn and a spirit of generosity. His paces, presence and balance are fantastic, combined with good confirmation and a beautiful easy attitude to work.

Undercover has recently been assessed as a candidate for the Advanced Medium Dressage Regionals this year and will also be combining this discipline with his jumping duties.
